NPO Multicultural Symbiotic Support Center

20th anniversary party

1th December 2023 (Friday) Time: 19:00-21:00 hrs.

Place: Hard Rock Café Tokyo (5-4-20 Roppongi, Minato, Tokyo)

Since its establishment in 2003, the organisation has been organising various workshops and events with the cooperation of many companies, embassies and people involved in NPO. We have provided opportunities for foreigners who love Japan to learn about Japanese culture and traditions. This year, to celebrate the 20th anniversary, we would like to build relationships with new people from all over the world.

We have been providing life support for higher education, part-time work, and full time employment.
